

# “COME TO THE CABARET”

May 22, 2015

To the Students, Staff and Families of Searsport District Middle/High School,

The band and chorus students and Mr. Edmondson cordially invite you to our Spring Cabaret on May 26<sup>th</sup> at 6:00 p.m. in the cafetorium.

The students have been working many hours on their music and even learned some dances to perform during the event. We have students performing solo pieces. And will be featuring music from our middle and high school band and chorus, as always! We wanted this to be different kind of event- a "cabaret"-instead of a concert. We are decorating tables and setting them up in more of a formal dinner show type of style. Also we will have a more formal refreshment table with punch, hors d'oeuvres, fruits and veggies and a variety of different desserts.

Some of our band and chorus students are bringing their best desserts for a bake-off! They will bake and present their desserts at the refreshment table and we will all get to vote for our favorite! The winner will receive a \$20 iTunes gift card to keep them moving to the music all summer!

We are hoping to raise funds for a budget for the music department next year and are suggesting a \$2 donation, if you are able. We will also have our discount cards available which have 15 discounts from local and area businesses that are reusable until 5/1/2016 for \$10!

Won't you please join us for this a special event and help us make it a successful night for the students?

See you at the Cabaret, "ole chum"!
